

SPONSOR THE PARTICIPANTS OF INM's SUMMER SCHOOL 2008!

> AN ESSENTIAL PARTNERSHIP FOR THE YOUTH

The aim of INM's Summer School is to enhance the level of social commitment of our youth through an interactive program combining education and deliberations as well as artistic and playful activities. To this end, INM wishes to establish a partnership with organizations, associations and businesses throughout the various communities from which the participants are coming from. This way, the Sponsorship Program offers an opportunity for many actors of the Québec society to become involved.

On the other hand, has to be accessible for all young people from every social environment as well as from every region of Québec. Through its Sponsorship Program, INM wants to make sure that participation costs are not an obstacle particularly for those who have to pay for transportation and lodging.

Individuals, associations, organizations and businesses are therefore invited to sponsor young participants through coverage of participation costs. For many young people, these costs often represent a significant sum of money, while it represents only a small amount for a business or an association.

In 2007, more than 60 sponsors from many different backgrounds have sponsored more than 390 young people from all regions of Québec. We count on you for 2008 as well!

Find out more information about the event at www.inm.qc.ca (in French only) or contact Stéphane Dubé at stephane.dube@inm.qc.ca or 418 656-2131 ext. 7403.

> HOW TO BECOME A SPONSOR

THERE ARE 2 DIFFERENT WAYS TO BECOME A SUMMER SCHOOL SPONSOR:

- 1** You select deserving young people within your own community on the basis of a set of criteria, which seem adequate for you, and you choose to cover their participation costs. These could include registration, lodging and transportation costs depending on your location;
- 2** You let us know of your desire to become a sponsor, and we identify for you deserving candidates who need financial support to attend the Summer School. We then proceed to put you in touch with those candidates so that you know who you are sponsoring.

Should you wish to sponsor one or more participants to the 2008 Summer School, we invite you to download our document entitled "Sponsorship Agreement" from our Web site.

BECOME A SPONSOR FOR THE YOUTH! AT INM's SUMMER SCHOOL 2008
